The Cobb County Water System intends to select two engineering firms to prepare construction documents for the replacement of existing water mains in selected areas within the county. The projects will involve the replacement of old asbestos-cement and/or PVC water mains with new ductile iron pipe mains, including new valves, fire hydrants, and customer service connections. West Cobb consists of designing the water main replacements for the following areas: Brownsville Road Area along Duncan Dr, Howard Dr, Sugg St, and Ann Cir., Lake Somerset S/D, and the Lost Mountain Estates Subdivision. East Cobb consists of designing the water main replacements for the following areas: Ramblewood S/D off Piedmont Road, Sewell Mill Road from Old Canton Road to Johnson Ferry Road, and Somerset S/D Phase 1 that includes Somerset Trace, Somerset Court, Turtle Lake Club Drive, Turtle Cove Court, and Hunterdon Way.

The Request for Proposal package is available via e-mail or at the offices of **Cobb County Water System, Engineering & Records Division, 660 South Cobb Drive, Marietta, Georgia 30060-3105**. To request an electronic package contact Tim Steenhoek at tim.steenhoek@cobbcounty.org. To pickup a set of proposal documents or for information about the project contact Tim Steenhoek at (770) 419-6330.

Proposals will be accepted only from Firms who are listed on the RFP Holders List, signifying that they have received a set of documents from the Cobb County Water System.

Owner reserves the right to waive any informality or to reject any or all proposals, to evaluate proposals, and to accept any proposal which in its opinion may be for the best interest of Owner. Owner has the right to add to and delete from the contract once it has been awarded. It is anticipated that a contract for the described services will be entered into with a firm that, in the opinion of Cobb County, offers the most favorable combination of qualifications, approach and pricing.

The successful engineering firms selected for these projects will be required to furnish satisfactory certificates of insurance for general liability, automobile liability, professional liability, and worker's compensation and employers liability coverage.
